Our Quick Loans
Solved the money problem

A man owed \$25 to five different people. He was earning a salary of only \$12 per week, and was being constantly harassed by his creditors, who could not afford to wait until he could save enough out of his small income to pay the whole amount he owed them. To him it seemed impossible to comply with their demands until he read of us. He called, got the money he needed, paid off his creditors in full and now has peace of mind, as he is only asked to pay us \$1.50 per week in repaying the loan. Call in and see us; we will explain to you our modern system

CAPE COD'S THE PLACE

FOR YOUR SUMMER VACATION

Look Cape Cod up on the map. See how this "good right arm of Massachusetts" thrusts itself out into the Atlantic Ocean—how exposed it is on all sides to salt water breezes.

No wonder, then, that it is always cool in summer-time down on the Cape. So cool that you'll find a blanket mighty comfortable when you retire at night. And how you'll sleep!

"Quaint Cape Cod" and "Buzzards Bay" are two beautifully illustrated books we've just issued. Read these books before you decide where to go this summer. Free for the asking.

ROWLAND INSPECTS ALL FIRE ESCAPES

Building Inspector Daniel M. Rowland is a busy man. He is making an inspection of the hotels and lodging houses in the city. The law says that the inspection must be made during the month of July. This means that the inspector must visit every room in every hotel and lodging house in the city, with the exception of The Stratfield. In order to see that a proper means of escape in case of fire is provided. A knotted rope that reaches almost to the ground is enough to meet the law. The Stratfield is exempt because it is legally a fire proof building and as a matter of law needs no fire escapes. The inspector also examines the exits of hotels.

MR. YOUNGS ACQUIRES EXPOSITION RESTAURANT

James S. Youngs, who formerly conducted the restaurant and chair lunch at 28 Fairfield avenue, where Blanchard's lunch is now located, left

Bridgeport on July 1 for Seattle, Washington, with Mrs. Youngs and their son, William. They arrived on July 5 and on July 6 Mr. Youngs became the proprietor of the "Eastern Restaurant," at 4005 15th avenue, within the exposition grounds. Mr. Youngs had never heard of the Eastern Restaurant before, but it looked good to him and he bought it on sight. Several of his friends have received postal cards from him and if Seattle treats him well Mr. Youngs will undoubtedly make his home there in the future.

Chapman Promises to Stop Midnight Trolley Speeding in Avenues

last night President Hill reported that he, acting as a committee of one of the board, had conferred with Supt. Chapman relative to the speeding of trolley cars on Fairfield avenue, Stratford avenue and Noble avenue late at night. Mr. Chapman replied that he would see that the speed of the cars is cut down. Commissioner Coughlin said that there had already been a reform in respect of the matter complained of.
